## PAYVISION HAS BEEN VALIDATED BY VISA EUROPE

*Listed as VISA Europe Merchant Agent*

Amsterdam, The Netherlands -- Payvision, independent Payment Solutions Provider specialized in Global Card Processing for the e-Commerce market is proud to announce that it has been validated and registered on VISA Europe's Merchant Agents List.

In a globalizing e-commerce landscape, online Merchants worldwide have a growing demand for Payment Institutions, which process, store and transmit their customer's cardholder data in compliance with the highest security standards. Aware of Merchant's needs, Visa Europe has created a Visa Europe Merchant Agent list, allowing merchants and retailers to select secure, PCI-DSS Compliant Merchant Agents for their payment services.

PCI-DSS compliant Merchant Agents maintain an Information Security Policy and implement strong control measures to secure their payment processing network, to protect cardholder data. This VISA Europe Merchant Agent List allows global Merchants to select a partner which complies with VISA Europe's high quality standards. Furthermore, from 2013 onwards, Visa Europe Acquiring Members must ensure that their Merchants use Merchant Agents which are registered by Visa Europe. For more insight into the registration process of Payvision, please visit our blog <http://blog.payvision.com/>
